WHEW! I am exhausted...most years, I apply for an extension of time to file our income taxes. The reason is because April 15 is so busy here at the church, usually around Holy Week and Easter time.

So I am writing this to you at mid-October to meet Beth Anne’s “Circuit Rider” newsletter publishing deadline, the same deadline as the IRS’ extension time. I have spent every available moment for the past week or more sorting, adding, translating government language, calculating; completing income tax forms for the Federal, State, and local reports.

As part of that civic exercise, needing to total our charitable contributions, while assembling those statements, I reflected upon our family stewardship journey. My wife Joan and I started life together on minimum salary and served small country churches, with little income to spare beyond basic needs. But committed to Christ’s work in the world, we did scrape together small financial contributions. Time and talent donations spoke for themselves, working long pastoral hours.

That minimal money support always bothered us, and later raising two small children took additional resources. Then, even though we could not afford it, we made the decision to take a leap of faith (practice what we preach). Joan and I prayerfully committed to become a tithing family. Of course, we wanted to become better examples of giving to our children.

Beginning small, and each year vowing to increase our percentage, our spiritual commitment began to show in the checkbook. That was many years ago, which prompted this flashback as we looked at our charitable contributions today.

Our first support always goes to the local church, because that is our top #1 priority, to THANK GOD for our every blessing.

Reaching the 10% threshold, we then entertain other causes close to our hearts. We are approached annually by our college and seminary alumni associations, FIVE of them!

Plus other organizations that we’ve been inspired by: Steubenville Urban Mission, Painesville’s Project Hope for the Homeless, Ohio Guidestone (Berea)

HUMC Job Opportunities from SPRC

Director of Faith Formation/Discipleship (staff position) remains open. Children’s Church Coordinator (volunteer) is also available. If you are interested in either position, please contact Rev. Roger or Lance Beebe (419-515-1493).

The Director of Faith Formation/Discipleship replaces the previous Minister of Christian Education held by Pastor Sarah Baumgardner. This is an overall coordinator role working with all education areas to create a focused effort “To make and mature disciples of Jesus Christ” as our Mission Statement declares. We currently have very little to offer in the way of growth in Christian roles. This position will work closely with the Pastor, the various committees, and with the other education leaders to begin to make our education programs unified, coordinated, and compelling, especially for the youth. A big job. Are you the one to help us with this challenge? We welcome you with open arms and will provide the support you need. You won’t be alone. The impact you will have will be lasting.

The Children’s Church Coordinator is responsible for arranging teachers and short lessons/activities for Children’s Church students, during the time after Cherub Chat at the 10:00 a.m. Sunday worship service.

Veterans’ Dinner at LOGOS

We invite all veterans in our congregation to celebrate Veterans Day with us at LOGOS on Wednesday, November 8th. Dinner will be from 5:30-6:30 p.m., so please arrive by 5:20 so you can get seated before the children arrive at dinner. To make a reservation for you and a guest, please sign up in the HUMC Welcome Center. We look forward to the opportunity to honor you for your service to our country!
HUMC Quilt Connection

We are happy to report that the Flat Rock Homes auctioned $8645.00 worth of quilts on Saturday, October 21st. HUMC Quilt Connection, individual members and friends donated 14 quilts, which brought in $860.00 (almost 10% of the total)! The next auction is in October 2019.

Sew Days for this month are Fridays, October 6th & 20th, 9:00 a.m. - 3:00 p.m. BYO Lunch. Our Monday night (business) meeting is on October 16th at 7:00 p.m. Bring any Show & Tell. All meetings are in the basement Youth Lounge.

We welcome new members at any time with any skill level. Contact Cathi Dix at 419-433-5645 or quintquilt@aol.com to receive meeting email reminders.

Thanksgiving Blessings

...will be celebrated during this month of November. Please ponder and pray over your level of giving to your church ministries here at Huron and around the world.

We have worked hard over the past several years to contribute 100% to our District/Conference connectional shared giving and apportionments. This has been accomplished, and donations to special offerings and causes have consistently been over-the-moon generous.

However, giving to the General Fund has remained flat. Are you a tither? Increasing your estimate of giving beyond the 10% or your current percentage every year will grow your faith and help you church grow more from maintenance into mission-outreach for Jesus Christ.

An estimate of giving card is printed below and will be available at church and in worship. They will be received by and dedicated on the Sunday after Thanksgiving, November 26th, at our ONE worship service at 9:00 a.m.

Thank you and praise God for what he has done and will do through you.

Prayerfully, your servant of the servants,

Rev. Roger

Here’s More Goals!

Last month’s Circuit Rider article has sparked further conversation about thrilling new opportunities for our church growth for the future. Here are some of the ideas:

- The ConAgra site will begin developing next summer – let’s be prepared with research, programs, and marketing strategies.
- Public use and outreach using our new Jane Bettcher outdoor gathering space.
- Refresh the Fellowship Hall, restrooms, add a handicapped access equipped restroom.
- New roof on the church equipped with solar panels to power the lights.
- Permeable parking lot to save our Lake Erie.
- Repair/replace/raise or lower sanctuary chandeliers for better visibility of the screens.
- Ministries with those of special needs, day care.
- Media consolidation of audio/visual controls, wireless mics in Sanctuary & Fellowship Hall, monitor for the Parlor.
- Start a Huron Senior Citizens Center with Saving Our Seniors.
- Link with schools and partner with social services to address the opiate crisis and other needs.
- Craft a bold new outreach to young families, children & youth.
- Expand use of social media to communicate, invite new people and ideas.

Wow! That should keep us busy!

Keep your ideas coming – the train is moving – get on board!

5. A 35 pt Dehumidifier for the Church House Cost $160.56 (This was bought from the rent money collected)
7. White Electric Range for the Church House. Cost $360.00 (This was bought from the rent money collected)
8. Lawns and Moore mulched our church complex. Cost $847.50 with a 50% discount.

JULY

2. Hohler Furnace & Sheet Metal Inc. repair of Sanctuary AC Cost $212.50
3. Change of overhead lights in Rooms 1-2. Returned the following week to replace a ballast, 4 florescent lights, electric tape, wire connectors, WD40, and a wire stripper. Cost $70.00. (Buz and Mike were the electric guys)
4. In the kitchen a peg broke off in the refrigerator that was repaired with epoxy glue. Cost $4.99. Missing tile were replaced behind the stove with epoxy glue, and the ceiling fan over the stove was cleaned and sprayed with WD40. One of the sinks was leaking as well and that was repaired. Buz and Mike were the kitchen crew.
5. The hose used in watering the flowers burst. I got a 100 ft hose so it will reach all the flowers. Cost $32.99

AUGUST
1. Toilets overflowing in Church House. Fox Sanitation came and determined that the toilets are old and do not have the flush power any longer. Cost NO CHARGE. Tom is buying the toilets and they are to be installed by a independent contractor. Two white toilets cost $434.15. There is also a mold issue in the bathroom at the Church House and Kim is going to remove the caulk and put a solvent down and caulk it again. Cost $213.18 for our Handyman to install the toilets and to caulk the bath tub and walls.
2. The pillars for the fence have been started. When the pillars are completed the next step is to erect the iron fence.

SEPTEMBER
1. The fence is nearing completion. The iron fence has been set in place.
2. City needed a sign permit and application fee for $158.75 for the lettering on the wall above and below the cross and flame sign.
4. Squeaky Peak power washed the brick wall facing Main Street. Cost $250.00.

OCTOBER
1. The fence is 100% completed. The cement caps were placed on the columns. Our HYM group washed the fence and Cork Moore landscaped the enclosed area.
2. The Trustees are investigating replacing all of our campus lighting into LED Lighting to conserve energy and money. Green Systems Leasing estimates a savings of $2,069 per year. Total cost of this project is in the working stage for us to consider.
3. The new lettering on the brick wall must be installed yet. The Trustees contacted Brady Signs and suggested to use aluminum letters instead of plastic because of wear. Added cost would be around $300.00.
4. The Trustees also feel that the current fire and cross sign is in need of repair or replacement. This is an ongoing issue. No cost has been submitted.

Mike Lyons, Chairperson
Children’s Home), and many more. Finishing the calculations, I was surprised that we had exceeded the church tithe, adding another 10% for other good causes, for around 20% of income (even though Joan is now retired). This accomplishment was achieved by the grace of God, incremental progress, commitment and consistent forward progress in faith. Yes, this goal had made other things a bit tight sometimes. But were these things that we really needed? The sacrifices were well worth it, for the satisfaction of doing God's will.

The reason for such resolve reminded me as I gathered with our new dozen confirmation 7th and 8th grade class the last couple weeks. At the first meeting, we talked about service to others, and washed down the new fence/park project that had just been completed. Beyond keeping our children safe from Main Street traffic, this new addition to our church has already attracted community curiosity, and will afford us many opportunities to reach out into Huron and beyond with the good news of Jesus Christ.

After the first introductory class about the Bible, and how important growth in faith will be to their young and future lives, I leafed through papers from last year’s confirmation class, finding their CONFIRMATION CLASS CREED. Each essay was wonderful, and one 8th grader’s response especially caught my eye and touched my heart:

“WHAT I BELIEVE about God the Creator: I believe He created heaven and earth, and that He answers to our prayers and concerns.

JESUS CHRIST: I believe he is the son of God, and that he died on the cross for our sins.

THE HOLY SPIRIT: Guides me, lives within me, helps me to make decisions. Calls me to God’s will, is like the doorknob to God, is like the angel on my shoulder, One who leads me to do right.

THE CHURCH IN THE WORLD, today and in the future: I believe that our church is good, and that our way of worship is good as well. I believe that more people will come to become Christian, and that churches will exist, but maybe differently.

HOW MY FAITH will make a difference: If I pray for problems to be solved, and I share my faith with others.”

From one of our own youth’s soul to yours and mine: yes, any personal sacrifice and priority #1 investment in the mission of our church is well worth it. “To make and mature disciples of Jesus Christ for the transformation of the world.”

Prayerfully your servant of the servants of Christ Jesus,

Rev. Roger Skelley-Watts
Pastor
Notes & Thank Yous

Rev. Roger,

I read the newsletter. I can’t help but think of the ways God has blessed me (our family) through your ministry... From the weekend 5 years ago before I left for licensing school and realized I forgot to pack my book of worship, and the nice pastor in Huron who let me borrow his...to the chance meeting in the lobby at the hospital that led to our daughters being welcomed with open arms into youth group...to the fact that unknown to me you stood for me at my ordination service (that’s humbling)...and now you’ve made it possible for Blair to go to camp. I am truly thankful for your ministry. Happy 40th anniversary of your ordination. Thanks for saying yes to God’s call to pastoral ministry. Your ministry has been a blessing to our family in countless ways and I’m forever grateful.

Blessings!

[Rev.] Erin Porter

Because of you...

We learned about God’s redeeming love. Many began or renewed their relationship with Jesus. Firelands Area YL had the BEST week EVER at Lake Champion YL Camp!

Thank you.

Introducing Realm

Realm is the new Cloud-based software that we are using to keep track of membership information for our congregants. Some of you may have been asked to “join” Realm earlier this year to view/print out your 2016 giving statements. Few of you responded, which may be due to the fact that the program was not explained before now.

Realm isn’t just for use by church members. If you are a regular attendee, contributor, spouse or child of a member – anyone considering themselves to be part of our church family – you may join Realm.

To join Realm you must have a valid email address. You will use that and a password to log on to your individual account/profile. There you can add or make changes to members of your household and determine what information you want to share with others in the church. You can even add photos! This way, Realm becomes an e-directory of the church. You can look up contact info of other congregants who have opted in to the online directory. Eventually, we will use Realm for attendance, e-giving, event registrations, and more.

To get started, please submit a valid email to the Church Office and request your invitation to Realm.
